PREMIUM POP UPS

Pop-Up Displays are a truly effective and portable way to create a branded backdrop. Our premium pop up is manufactured of strong, lightweight with durable aluminum tubing. This display is portable and easy to set up. Simply, pop up the frame, roll on panels, and you are ready in any place and at any time, with minimal time and effort needed for set-up and take down. The frames utilize an accordion-style expansion and compression method which allows the units to take up minimal space when it is time to store. Molded plastic transportation cases with wheels included. Light kit packs available.
